- 150 x 75 mm
- 200 x 75 mm
- 230 x 75 mm
- 300 x 75 mm

Other sizes may be available on request.

Grille construction

- Durable aluminium
- Fixed louvered design
- Low profile
- Available in multiple finishes
- Suitable for carpet or hard floor installations

CEILING GRILLES

A wide selection of ceiling diffusers to suit every home, from modern to classic designs.

Round Ceiling Diffuser
Popular low-profile design for a clean finish.

Square 4-Way Diffuser
Distributes air evenly in all directions.

Square 3-Way Diffuser
Ideal for corner installations.

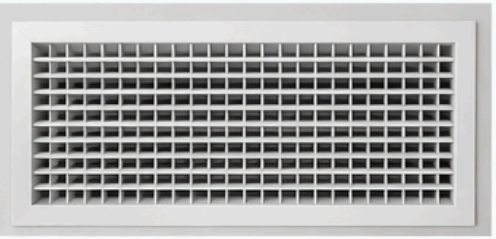
Square 2-Way Diffuser
Suitable for wall or corridor installations.

Linear Slot Diffuser
Sleek, modern look for contemporary homes.

Linear Bar Grille
Architectural style with clean lines.

RETURN AIR GRILLES

High airflow return grilles to keep your system running efficiently. Hinged options allow easy filter access.



Egg Crate Return Grille
High free area for maximum airflow.

Hinged Filter Grille
Allows easy access for cleaning and filter replacement.

Fixed Louvre Return Grille
Clean, modern appearance.

COLOUR OPTIONS

A range of colours available to suit your interior.
